**Subject: CD1: Alert- Be Aware of BSL Copper Theft Activity**

Folks,

Our office is aware of several metal pole street lights that are out. According to the Bureau of Street Lighting they have noticed an increase in copper theft that caused light outage and some areas have been repaired 3 times making resources difficult to manage.

We are asking for your help through the education notice attached so please review and share with others in your network.

Thanks,  
Jose Rodriguez, Deputy District Director  
Office of Los Angeles City Councilmember Gilbert Cedillo  
Council District 1  
District Office
